AutoCrit Editing Wizard. Created by Schmal. Secondly, the commitment of Critical Theory to universal validity and universal pragmatics has been widely criticized by post-structuralists and post-modernists who have instead insisted respectively on the hyper-contextualism of the forms of linguistic rationality, as well as on the substitution of a criticism of ideology with genealogical criticism. Becoming more self-accepting necessitates that we begin to appreciate that, ultimately, we're not really to blame for anything--whether it's our looks, intelligenceor any of our more questionable behaviors.
